Sixteen veterans of World War II gathered in the VFW hall in Mokena Sunday afternoon for the purpose of forming an Amvets organization. Assistance was given by Roy C. Schumacher, publisher of the Crete Herald, and Judge Advocate of the Crete Memorial post 14, Amvets.

All present signed the charter which will be held open until April 25 when the next meeting will be held at 1:30 in the VFW hall, Mokena.

All veterans of World War II and of the present war, either in stateside or on foreign lands are asked to join. The Amvets in Mokena is the answer to many veterans who were seeking such an organization. They have no fault to find with any other veteran group, instead they desire to cooperate with all such organizations. They especially are grateful to the William Martin VFW post for their cooperation to permit them the use of their facilities.

Temporary officers elected Sunday are: Anthony Dina, acting post commander; Scott Perry, acting post adjutant. Appointed on the membership committee are Adam Schneider, Frankfort, Andy Zink and Clarence Werner, Mokena.

Invitations are extended to eligible prospective members from the surrounding villages and area. Any one desiring to join as a charter member may go to the Dina barber shop in Mokena and sign the charter if they are unable to attend the next meeting April 29.

## A Great Man Comes Home

Giving 52 years of his life-the best years-to the service of his and our country; serving in high capacity through three wars, including the present Korean war, called, 'Police duty'; absent from his country for 14 consecutive years through the line of duty, General Douglas MacArthur returned to his home land Tuesday night.

There were two reasons that caused his return that he was not expecting: first, because he answered a letter from an official in Washington, who requested an answer, giving his opinion and advice. He was, after all these years of noble service, discharged from his duties. But the incomprehension of that discharge is because it was made by a man, President of our country, who has violated and broken our constitution when he ordered our boys to a fighting front in Korea, without first taking the matter up with The Congress; who belittled our fighting men, our Marines and who also wrote a letter, not a polite one like General MacArthur's, but a name-calling one, as of a person with poor and rash judgement, to

a person who criticized his daughter's singing. In the light of that, Gen. MacArthur's intelligent letter shines brightly.

The second unexpected reason, was the great surge of the people of our country to his defense, the great welcomes being planned for San Francisco, and the other great welcomes being planned for him in other parts of the country.

His words after landing home: "I cannot tell how wonderful it is to be home. Mrs. MacArthur and I during the long, long dreary years, often spoke of the time when we should come home."

In a statement made to The Semmler Newspapers April 11, 1951 Congressman Noah M. Mason, of Illinois wrote: "By both word and deed President Truman has proven himself unpredictable, unreliable, and irresponsible. He should have been impeached when he ordered MacArthur into Korea in the first place."

MacArthur's removal is the act of an irresponsible man. Tragic consequences can be expected as a result of that Act.

Joe Stalin must be wearing a broad grin today.

Each year the Arboretum, which was started in the interest of nature study by the founder of the Morton Salt company, has to turn people away from its popular courses.

Mrs. W. S. Morgan, club president and general chairman of this outstanding event, will again serve as chairman when the club presents their '51 show at the Methodist camp grounds, New Lenox, June sixth and seventh. This year their theme will be "Spring Interlude."

**New Lenox Man  
Weds Joliet Girl  
On April 14**

Miss Marie Muenzing, daughter of Mr. and Mrs. Raymond Muenzing, 916 Oakland avenue, Joliet, and Gerald Frederick Conover, son of Mr. and Mrs. John Conover, Sr., of New Lenox, were married at a quiet, but impressive ceremony, Saturday morning April 14, in St. John's Catholic church at Joliet.

Father Lucian performed the double ring ceremony at 10 o'clock mass.

Mrs. Marilyn Norbit and William Cara were the only attendants. The bride was attractive in a two piece grey dressmaker suit. She wore navy blue accessories, and a corsage of pink carnations.

Mrs. Norbit, matron of honor wore an aqua dressmaker suit, with pink and navy blue accessories, and a corsage of pink and white carnations.

A wedding breakfast was served after the ceremony to the immediate families, at the West Pines tea room.

Saturday, April 21, at 8:00 p.m. installations of officers of Wm. Martin Post 725 of VFW will be held. Again Comrade Carl Ries will be installing officer.

Comrade Ries is now the National Chief of Staff to the Commander in Chief, so this is the first time an officer from the Commander in Chief's office has been to Mokena to install the officers of Wm. Martin Post. Quite an honor, I would say!

Oh yes, this is a joint installation and the public is invited. Bring your friends. There will be a free lunch and dancing after the ceremonies. Yes it's all free! Commander elect Robert Liess wishes to welcome all veterans and their friends at this event.

Sunday, April 15 a large group of veterans met in the VFW hall to talk about organizing an Amvets post in Mokena. We of the VFW say welcome! This should afford an opportunity to all veterans who are not eligible to join the VFW to join an organization whose aims are parallel to the VFW and other veterans organizations.

Many of the VFW members are joining the Amvets also to give them the numerical strength to launch a new post. Those comrades who are joining say they are not a disgruntled group just seeking vengeance. They are maintaining their VFW membership as well, and are going to continue to do so.

The newly organized Amvet Post assures the VFW post that they hope to work in close harmony with the latter.

We of the VFW should go on record as favoring the Amvet post and pledge our cooperation and work harmoniously with them at all functions where the two organizations may be called upon for like duties. —Eino L. Saarela, pub.

## TWO WEEKS FOR MERCHANTS TO FILE PRICES

Many of the pricing charts being filed by retailers under Ceiling Price Regulation 7 are made out incorrectly.

Michael Howlett, acting regional director for the Office of Price Stabilization for Illinois, Indiana, and Wisconsin, said errors in the charts may hinder the processing procedure.

Under provisions of CPR 7 and its Amendment 2, the pricing chart must be filed in the proper district office no later than April 30.

District offices are located in Peoria and Springfield; Green Bay and Milwaukee, Wis., and Indianapolis, Ind. For the time being the regional office at 9 West Washington Street, Chicago, is serving as district office for all of Cook county, including Chicago.

Mr. Howlett emphasized that after May 30, 1951, merchants may not sell articles covered by the Regulation unless they have received an acknowledgment of the filing of their charts from OPS.

Covered under CPR 7 are clothing merchants, department stores, shoe stores, dealers in household textiles such as sheets, blankets, etc., furniture, rug and lamp dealers. Under Amendment 2 of CPR 7 are retailers of radio and television sets, sporting goods, musical instruments, phonographs and records, housewares, notions, luggage silverware etc.

Among Cook county retailers, these were the most common errors found in the compiling of pricing charts:

In more than half the charts submitted, the retailers failed to describe the type of store at the top of Page 1 of the chart. The retailer is required to indicate whether his store is independent, part of a chain, or other type of outlet.

More than 40 per cent of the charts did not show their "bracket

## "Just Been Thinkin'"

A man rarely remembers the his-  
tory he was taught in grade  
school, the clothes he wore as a  
boy, or the colors of his patchwork  
quilt, but, more than likely, he  
readily recalls the friends of his  
childhood, some secluded fishing  
hole, a cherished pet, or probably,  
as I.

THE OLD SWING

Nothing else ever brings  
Back my boyhood to me  
Like a child on a swing  
In a friendly old tree...

And there's nothing that tugs  
At my tired old heart  
Like those ropes on a limb  
And that seat from a cart...

Oh, how often I swung  
Up the arch of the skies  
And back till the leaves  
Almost swarmed in my eyes.

I remember the hills,  
And the brook, and the corn,  
The cows and the clover,  
The chicks that were born,  
But I loved one thing best!

Oh, I wish I could be  
A boy once again  
On that swing in the tree!

—Frank H. Keith

## WHAT A RELIEF From Rheumatic Muscle Pain!

Now you can get quick-action, temporary  
relief from local superficial pains of rheuma-  
tism, lumbago, neuritis, bursitis, sciatica,  
arthritis\* as well as fatigue and muscular  
aches and pains of simple colds with the  
new ointment—SURIN—because SURIN is  
based on a new application of a principle. It  
contains an active modern research drug—  
methacholine chloride, a powerful ingredient  
to dilate surface blood vessels when applied  
at the point of pain. SURIN provides double  
action pain relief. (1) It increases blood supply  
(2) allows local, relaxing agents, camphor and  
menthol and local analgesic to penetrate faster  
giving quick, temporary relief at the point  
of pain. In a few minutes you feel the soothing  
warmth from SURIN. Then follows blessed re-  
lief lasting 1 to 3 or more hours. No internal  
dosing—use SURIN locally. Not an ordinary  
rub ointment or liniment. SURIN has a new  
ointment base, creamy-white, smooth. Easy  
to apply. Will not stain washable fabrics.  
Quickly washes off in warm water. Money  
back at your druggist if not satisfied!  
\*SURIN is not intended as a cure or treatment  
of above diseases. It is to be used only for tem-  
porary relief of local superficial pain.

## God In a Nation

Lesson for April 22, 1951

WHEN IS GOD IN THE LIFE  
of a nation?  
It depends on  
what you mean by  
the question. God  
is the Ruler of all  
nations, and Judge  
of them all. But  
some nations have  
been far more con-  
scious of the true  
God and obedient to  
Him than other na-  
tions have.

Dr. Foreman

## God's Name on Paper

GOD CAN be mentioned often,  
yet not count for very much  
in a nation. For instance, His name  
can be on the money, it can be in  
the state ceremonies, it can be in  
the constitution, or if there is no  
constitution, the monarch may be  
said to rule "by divine right."

But such things may be no  
better than formal. The money  
can pass from wicked hand to  
wicked hand, it can be used for  
godless purposes by men who  
do not have God in all their  
thoughts. The name of God in  
public ceremonies (such as  
oaths of office) or in the con-  
stitution may mean no more  
than decorative designs on a  
letter-head. The king ruling by  
"divine" right may be a cruel  
and corrupt man.

Religious-sounding songs, such as  
"God Bless America" or "God Save  
the King", can be sung by rascals.  
No, God in a nation's life must be  
more than a name on paper, green  
or white.

## God in Great Men

GOD BEGINS to get into the life  
of a nation when He gets into  
the lives of people. It is not dis-  
paraging the common man to point  
out the plain fact that as between  
one believer in God who is obscure,  
and another who is prominent and  
powerful, the latter means more in  
the long-run life of a nation.

It was so in the era of Moses.  
That was a time of religious con-  
fusion, just as it is today. Doubtless  
there were many humble persons  
at that time who had a living faith,  
but if it had not been for Moses,  
the nation of Israel would never  
have been a nation, but would have  
shrunk back into the ruck of little  
no-account tribes, never to be heard  
from again. When we hear that even  
Moses' own brother was so stupid  
or bad as to lead the people in wor-  
shipping a gold-plated calf, we can  
imagine what the masses of the  
people were like.

If the United States and Can-  
ada can be called Christian na-  
tions today, it is because we can  
point to men on both sides of  
the line who have been not only  
high-calibre, influential men, but  
also men not ashamed of their  
faith in God.

An American congressman who  
is respected by friends and oppo-  
nents alike, has said it is more im-  
portant to him to know what God  
wants than what his constituents  
want. Most governors of states pro-  
fess religion; and some of the best  
of them practice it. What America  
would have been without such men,  
one can only guess; certainly far  
worse than it is.

## God in Laws and Lives

GOD CAN also be in a nation's  
laws. It is true, we cannot run  
a modern nation or municipality on  
the laws of Leviticus, and nobody  
wants to, not even the preachers  
and rabbis. Still, the laws of a  
land either reflect the will of God  
or they do not. So far as the laws  
of a nation are in line with the  
teachings and truth of Christ, so  
far God is in the life of that nation.

But the question is not finally:  
What do the laws prescribe, but do  
the people respect the laws? God  
does not get deeply into the life of  
a nation until He gets into the  
homes of high and low alike.

If the nation of Israel ever  
became godly, they had Moses  
to thank; yet he himself was  
under no illusions as to the  
people he left behind him. "I  
know that after my death ye  
will utterly corrupt yourselves  
and turn aside from the way  
which I have commanded you."  
(Deut. 31: 29.)

It took centuries of toil and pa-  
tience on the part of God and His  
prophets to change Israel from a  
nation mostly indifferent to God, to  
a people mostly God-fearing; and  
the change took place only as  
homes changed.

Is ours a Christian nation today?  
The answer is not in our constitu-  
tion, not in our leading men, not  
in our history or laws or traditions;  
the answer is in our homes. When  
the cry goes up "Back to God!"  
the place to start back, and the  
place that counts most, is our  
homes.

## First Circus of Season In Chicago

When you see Virginia Hustrel  
in person, you wonder why she  
ever gave up show business to  
risk her neck in a circus. But it  
was a two fold case of love that  
has sent Virginia caroming from  
the glamorous but safe side of show  
business into the Cole Bros. circus  
which opens at the Chicago Stad-  
ium this Friday, April 20.

Virginia was a chorus girl in the  
early part of her show career and  
played in many of Mike Todd's  
productions. Then she happened to  
meet Alfonso Hustrel who had  
been performing in a high wire  
singles exhibition.

Virginia had always wanted to  
get into the circus profession but  
she never before met such a guy  
as Al. It is true that they were  
married and lived happily ever af-  
ter, but that's not the end.  
Al revamped his act so that she  
would fit into it and now they are  
the famous Aerial Hustrels who  
are making their first Chicago ap-  
pearance with Cole Bros.

Virginia hasn't lost any of her  
show girl beauty which doesn't  
hurt their act at all, but she adds  
a great deal more than beauty to  
the act when she does the splits  
atop a suspended flag pole.

The blond Mrs. Hustrel hails  
from Peoria where she graduated  
from Woodruff high school. "I  
always wanted to be in show busi-  
ness ever since my folks started  
giving me dancing lessons when I  
was nine," Virginia explains.

The Hustrels now make their  
home in Peoria in the winter but  
spend most of their spare time do-  
ing small tours around the country.

The Aerial Hustrels perform  
without any net or protection.  
Even the pole from which they  
perform is suspended from the  
ceiling, giving them no protection.

Alfonse broke his leg about 18  
months ago. "I had just com-  
pleted my act and was climbing  
down the ladder when I slipped.  
It was almost funny to think I  
should get hurt after all the dan-  
gerous part was over."

Alfonse's family in Germany has  
been in the circus profession for  
generations. His grandfather was  
killed in a fall from a high wire.  
Alfonse was born in Germany him-  
self where his folks had their own  
traveling circus. Both Hustrels  
were quick to explain that they  
depend entirely on their own skill  
and muscles. "No one can help us  
up there," Al said. However, music  
is a great help in keeping "the  
right pace," Al said.

The Cole Bros. Circus will run  
from April 20 thru May 6 with 2  
performances daily. No shows on  
Monday. Children under 12 half  
price except Saturday and Sunday.

**Greater Comfort**

one more reason why John Deere is first choice of the tractor-wise!

Step up on a John Deere "A," "B," or "G" and treat yourself to real tractor comfort! These tractors are designed with you in mind.

You'll relax on a deep-cushioned seat that's really comfortable. It's roomy and there's plenty of fore-and-aft adjustment. Arm and back rests provide additional comfort. And look at the view you have ahead and to either side... from a natural position on the seat.

But that's not all! A John Deere Tractor has a large platform with plenty of leg room, plenty of standing room. You can stand as easily and naturally as rising from a chair, without changing the seat position.

There's no doubt about it—a John Deere is the tractor that's easier on the operator... reduces fatigue of long hours at the wheel. Remember, too, there are many other advantages a John Deere offers you. See us for details.

In addition, John Deere Tractors offer:

- OUTSTANDING ECONOMY
- GREATER DEPENDABILITY
- LONGER LIFE
- OUTSTANDING QUALITY
- EASIER HANDLING
- EASIER MAINTENANCE
- COMPLETE INTEGRAL EQUIPMENT
- UNEXCELLED VIEW
- GREATER ADAPTABILITY
- HYDRAULIC POWER-TROL
- ROLL-O-MATIC
- LUGGING POWER
